The Rehabilitation Advisory Committee has formulated the Persons with Disabilities and Rehabilitation Programme Plan (RPP).

The vision of the RPP is to recognise the diversified developmental needs of persons with disabilities; respect the autonomy and independence of persons with disabilities; establish a disability inclusive society that enables persons with disabilities to develop their capabilities, unleash their potential and contribute to society.

This RPP outlines four strategic directions to address the needs of persons with disabilities.

Strategic Direction I: Provide timely and appropriate support to equip persons with disabilities with the ability to cope with changes at different stages of their life. Themes covered include pre-school rehabilitation, transitional support from kindergartens to Primary One, support for students with special educational needs, vocational rehabilitation training and vocational training, employment support, ageing of persons with disabilities and medical rehabilitation.

Strategic Direction II: Enhance community care services to enable persons with disabilities and their families living in the community to obtain necessary support, and be admitted to residential care homes as soon as possible when in need. Making use of technology products and assistive devices, and providing diversified services.

Strategic Direction III: Promote disability inclusive culture, facilitate accessible environment, transportation and access to information so that persons with disabilities can fully participate in social life, establish a mental health-friendly community and enable them to participate in cultural and arts, recreational and sports activities.

Strategic Direction IV: Ensure sustainable development of diversified services for persons with disabilities in response to the changing needs. Themes covered include the planning of premises and services, manpower and training.

RPP has 62 strategic recommendations. Please visit the Labour and Welfare Bureau's website to know more about details of these recommendations.
